Content

The Hoe, "child of the poor", provokes the Plough (1–19); the Plough boasts of its royal festival, its harvests and the gleaning poor (20–62); the Hoe answers with its year-round work, the dykes, the bricks and houses, the gardens and the wells, and mocks the Plough's four months of work (63–178A); a voice (Storm?) and Enlil end the quarrel (179–193); the Hoe wins: "praise to Nisaba" (194–196).

Files

- `c.5.3.1.xml`, `t.5.3.1.xml` — ETCSL TEI source (lemmatised `<w form lemma pos label>`).
- `transliteration.md` (201 composite entries (1–196 with 28A, 37A, 37B, 61A, 178A)), `translation.md` — conversions by `../../../tools/etcsl2md.py`.

Line numbering

ETCSL composite numbering; the project files use ETCSL's labels.

Lemmas and morphology

ORACC has no text (Q000760 is a catalogue entry only, 2022 export): lemmas from ETCSL's TEI, morph from parsed instances elsewhere (`tools/sumerian_workbench.py line|morph`).

Modern editions not used (recorded)

Vanstiphout's edition and translation (COS 1, 1997) and Mittermayer 2019 (open access, but OAPEN blocks scripts): see `../../_records-only--Mittermayer-2019--Rangstreitgespraeche/`.

Usefulness

Base text (rank 1) for `סיפורי-הבריאה-המסופוטמיים/6-המעדר-והמחרשה/`. ETCSL's prose translation is rank 3 (check only, after drafting).
