Source: https://seal.huji.ac.il/node/27124 (SEAL – Sources of Early Akkadian Literature, ed. M. P. Streck & N. Wasserman). Retrieved 2026-10-16. Clean extraction of `_raw/node-27124.html`.

Conventions: line numbers exactly as in SEAL (manuscript siglum + column + line; primes = line count from first preserved line). `<sup>…</sup>` = determinatives/superscript signs; subscript digits in sigla rendered as Unicode (C_0). Italics (Akkadian vs. Sumerogram distinction) are NOT preserved here – see the raw HTML. Under each line, `lemmas:` lists SEAL's lemmatisation (lemma + gloss) for that line.

Translation

I₂ 1 At the beginning of the invisibility of the moon, at the beginning of the month,

I₂ 2–3 Ea, the great lord, stood at my side, (saying:)

I_2 3–5 “Take a wooden spade and a copper axe, and make a window at the top.

I_2 5–6 Release bird, let it find for you a shore!”

I_2 7–8 I heeded the words of Ea, my great lord and advisor.

I_2 9–10 I took a wooden spade and a copper axe. I made a window at the top above me.

I_2 11–12 I released a dove, strong-of-wings.

I_2 12–13 She went forth and came back, exhausted her wings.

I_2 14 I did this again and released a crane.
