However, the evidence now suggests that where the late text has this formulation the OB text had ‘seven days and seven nights’ (undamaged in OB VA + BM ii 8'; see Ch. 13, the commentary on SB XI 128), and so the broken numeral is here read 7 instead of 6. A stray wedge after this numeral, not seen by previous copyists, is not convincingly the remains of a *KAM* (cf. l. 56), and is ignored as an error” [courtesy Ll. Feliu].
