Why it matters here

In the **Me-Turan version, Segment F** (ETCSL lines F 1–22, 23–37, 116–130): Gilgameš "reached Ziusudra in his dwelling place" and restored rites forgotten since the Flood; Enki recalls to An and Enlil that "after the assembly had made the Flood sweep over to destroy the seed of mankind … **Ziusudra alone, although a human being, remained alive**". The Sumerian background to Gilgameš's journey to Uta-napišti (Gilg. X–XI). Three versions (two from Nibru, one from Me-Turan) are in the composite; current standard: Cavigneaux & Al-Rawi, *Gilgameš et la Mort* (2000), and George, *The Babylonian Gilgamesh Epic* (2003).

`transliteration.md` (495 composite lines) and `translation.md` are clean UTF-8 conversions of the XML (conventions at the top of each file); the `.xml` files are the authoritative source; the `--etcsl-cgi-*.html` files are the website display (Unicode, edition 2).
