Lange 1925 – *Das Weisheitsbuch des Amenemope*

- **What:** H. O. Lange, *Das Weisheitsbuch des Amenemope aus dem Papyrus 10,474 des British Museum* (Det Kgl. Danske Videnskabernes Selskab, Historisk-filologiske Meddelelser XI, 2), Copenhagen 1925: hieroglyphic transcription, German translation and commentary, with the page.line numbering that the TLA keeps.
- **URL:** archive.org item `LangeHO1925` (a community upload; the work is in the public domain: Lange died in 1943); the OCR: `https://archive.org/download/LangeHO1925/Lange%2C%20HO%20-%20Das%20Weisheitsbuch%20des%20Amenemope%20aus%20dem%20Papyrus%2010%2C474%20des%20British%20Museum%20%281925%29%20l`
- **Licence:** public domain – committed.
- **Retrieved:** 2026-10-23 (Round 4 run 3).
- **What is here:** `lange-1925_djvu.txt`, the archive.org OCR (German legible; the hieroglyphs are lost, the transliterations in the commentary are often garbled).
- **Use:** rank 5 (an older translation: history of interpretation and literal checks only; its readings are often outdated – guidelines §3). The PDF (7 MB) was not downloaded.
