EA 356 (Adapa and the Southwind) | Sources of Early Akkadian Literature

Source: https://seal.huji.ac.il/node/1557 (SEAL – Sources of Early Akkadian Literature, ed. M. P. Streck & N. Wasserman). Clean extraction of `node-1557--EA-356-Adapa.html` by `tools/seal2md.py`. Conventions: `_..._` = italic on the site (Akkadian words); `{...}` = superscript (determinatives); a line with an empty label continues the previous one (e.g. the Akkadian of a bilingual line); `lemmas:` = SEAL's lemmatization (form = lemma "meaning").
